# Chapter Chat

**CONGRATULATIONS on being part of the five-time Texas and four-time National winner of the Dora Maxwell Social Responsibility Award and a TCUL Star Chapter!**

## 2007 Vendor Expo & Chapter Meeting

The Chapter is so grateful for the support from our Vendor Partners which enables us to expand our programs and community contributions! Our Vendors really appreciate the opportunity to visit with our credit union representatives and show off their new products. Please take this opportunity to network with numerous companies which have designed their products and services to meet financial institutions' needs.

We will also have guest speaker **Howard Falkenberg** for our Chapter Dinner. As a spokesman for "Take on Traffic," Howard will be discussing the growing problem of congestion in the Austin area - including the 500 additional cars that arrive on our streets and roads each week - and what we can do about it.

"Take on Traffic" is an awareness campaign managed by the Greater Austin Chamber of Commerce and supported by the Capital Area Transportation Coalition (CATC), which Howard chairs.
