Message from Pamela

We are now at the end of what has proven to be another very successful year of accomplishment for the Austin Chapter of Credit Unions. We have once again captured First Place in the Texas Dora Maxwell Social Responsibility Award and also received Honorable Mention at the national level. This is defi-

nately confirmation from The Texas Credit Union League and CUNA that the Chapter board along with all of the area credit unions is committed in its service to the community. I would like to say a special thank you to each president for their support of the Chapter, each board member for their commitment to the Chapter, and all credit union

staff and vendor partners for their continued support of the Chapter. None of the success that we experience on a regular basis would be possible without each and every one of you. Thank you!!
