Message from Pamela

On behalf of the Austin Chapter of Credit Unions, I would like to welcome you to our International Credit Union Day & Casino Night Celebration! Our theme this year, "It Belongs to Me", expresses the credit unions' way of life and that is just one of the things that makes credit unions unique. Despite the

current economic conditions, credit unions remain safe and sound through their cooperative structure. Today we join with credit unions and their members around the world to celebrate International Credit Union Day in recognition of the benefits those institutions bring to their members. So enjoy your evening and

remember that you do make a difference. Thank you so much for your continued support of the Austin Chapter of Credit Unions!
