# With your help!

For the past seven years, the Austin Chapter of Credit Unions has been honored with CUNA's Dora Maxwell Social Responsibility Award for charitable efforts in the Austin-area. Through various community programs, the ACCU continues to build its reputation as a positive corporate neighbor. We owe this community success in large part to our business partnerships and the support they pledge to our programs and services each year.

Now the ACCU invites you to become part of this dynamic partnership network. By participating in our *Preferred Partnership Program*, you choose your participation level. Compare the Sponsorship levels, listed to the right, and choose which level will maximize your business's exposure within the Chapter.

*Kids Classic Golf Tournament & Auction Party sponsorship are separate programs shared with ACCU and partners.*
