Message from Kelly

It is extremely exciting to begin another new year! The Chapter is already busy at work planning successful and new events for the upcoming year. Thank you to each of you for your continued support and commitment to the Chapter. It is because of your support that the Chapter enjoys its continued success. Austin area credit unions were able to

raise and contribute over \$345,000 to the Dell Children's Medical Center and other community organizations in 2008. This is an incredible achievement of which we all should be very proud! Congratulations go out to each of you and the Chapter for once again winning The Dora Maxwell Award, 1st in Texas and Honorable Mention on the National level, and being designated as a TCUL Star Chap-

ter! This recognition is confirmation of how much you mean to the Chapter and our success. Again, we appreciate all of your support! It's going to be great in 2009 and we are looking forward to another successful year..
