Chapter Chat

The Children's Miracle Network raffle is coming to a close. Thanks to everyone who purchased, sold, and promoted tickets to support this noteworthy cause!

Message from Kelly

If you would buy at least one raffle ticket....

- You would know that you did your part to help.
- You would be that much closer to helping our new Medical Center.
- You would be helping families with a sick child stay in Austin for care.
- You would help bring the dream of more medical specialists' care to a reality in Austin.
- You would help show Austin and the surrounding area how much Credit Union people care about helping Austin children.

AND Every ticket you SELL helps more!

Welcome!

We are pleased to welcome Howard Bufe. Howard joins us from OnBalance. OnBalance is a service of Credit Union Resources Inc that provides professional strategic planning as well as consulting and training. Howard has worn many hats including facilitator, trainer, consultant, financial analyst and assistant controller. He is currently Assistant VP for OnBalance.

Enjoy the morning session where Howard will be giving us insight on "The Strangest Secret." In this

training we will learn about the key to success as well as the key to failure. He will take us through the journey to recognize that it is ultimately our decision to determine our success or failure. We all look forward to benefitting from this training!

In the afternoon training, Howard will present a training on "You Can't Send a Duck to Eagle

School." In this training Howard will focus on how to ensure you have the right people in the right places!

And don't miss lunch with NCUA's Joe D'Ambra! Joe comes to us with 21 years of experience with NCUA!
