# Chapter Chat

**We're all in this together!!! Credit Unions are made by people for people!!!**

## What else can we do together???

The Austin Chapter of Credit Unions enjoys arranging trainings and events that benefit you in your positions. If there is a particular subject of interest or if you've especially enjoyed a previous training please let a member of our board know about it! We will research and make every effort to get your topics of interest addressed and included. Similarly, if there's someone you'd like to hear from-let us know! Please submit any comments, interests, requests, and general feedback to any member of our board! We are, in fact, all in this together! We appreciate your support!!!

## Welcome from Kelly!

On behalf of the Austin Chapter of Credit Unions, I would like to welcome you to our International Credit Union Day & Casino Night Celebration! Our theme this year, "Local. Trusted. Serving You," truly expresses the credit unions' way of life and that is just one of the many things that make credit unions unique. Despite the current economic conditions,

credit unions remain safe and sound through their cooperative structure. Today we join with credit unions and their members around the world to celebrate International Credit Union Day in recognition of the benefits those institutions bring to their members. Please enjoy your

evening and remember that YOU make a difference. Thank you so much for your continued supports of the Austin Chapter of Credit Unions!
