**Help Austin's Credit Unions
Help the Community**

**Austin Chapter of Credit Unions
Preferred Partnership Program**

Be a proud supporter of
the Austin Chapter of Credit Unions,
multiple year recipient for social
responsibility from the
Credit Union National Association.

ACCU and you: living here, giving here.

Helping Us Help Those in Need

What could be better than growing your business through a network that exists to do good for its community? For nine years, the Austin Chapter of Credit Unions (ACCU) has been honored with both national and state awards for charitable efforts in our area. ACCU has won the Credit Union National Association's (CUNA) Dora Maxwell Social Responsibility Award multiple times. Through various community programs, ACCU continues to build its reputation as a positive corporate neighbor. We owe this success in large part to our business partnerships and the support they pledge to our programs and services each year.

The ACCU invites you to become part of this dynamic partnership network. By participating in our Preferred Partnership Program (with a new, lowered dues structure), you choose your participation level. Compare the Sponsorship levels, listed to the right, and choose which level will maximize your business' exposure within the Chapter – and in turn, with several credit unions in the area. While you are making connections, ACCU will be doing philanthropic work for the likes of Children's Miracle Network, MDA, the Austin Children's Shelter, Capital Area Food Bank, and more.

“Being an ACCU business partner for 10+ years has been invaluable – allowing us to successfully ‘connect’ with CU clients and prospects, build relationships, and help us increase visibility among area CUs. I would highly encourage CU vendors to get involved and participate!”

- Mark Hail, Senior Marketing Manager, Benefits Unlimited, a Division of Gallagher Benefit Services, Inc.
